

Miami County Recycling Center

Published by the Lake Region
Solid Waste Authority

23765 W 327th Street
Paola, KS 66071
(East of Hospital Drive)

Monday - Friday
8:00 AM – 4:00 PM

2nd Saturday of the Month
8:00 AM – 12:00 PM

GLASS (1 bin)

- Clean glass of all colors. Containers should be empty, with no liquid or food waste in them. Remove all caps or lids (put them in the comingle recycling box).
- Remove glass from picture frames. Do NOT include ceramics, light bulbs, eye glasses, windows, or windshields.

CARDBOARD (2 bins)

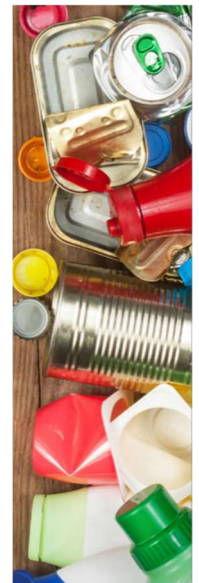

- Clean and dry cardboard, including paperboard and egg carton. Flattening boxes is helpful.
- Remove all internal packaging materials that are not cardboard (plastic wrap, styrofoam, paper).

COMINGLED / MIXED (2 bins)

- Paper - white paper, newspaper, bags, mail, phone books, magazines, calendars, packing paper, craft paper. Do NOT include egg cartons, kleenex, paper towels, toilet paper, wax paper, shredded paper, or paper mache products.
- Clean aluminum or tin cans, lids and small items. Clean aluminum foil. Do NOT include pressurized or aerosol spray cans, stainless steel, or vehicle parts.
- Plastic - Clean hard plastic with recycle numbers 1 to 7. Containers should be rinsed with no liquid, food waste (peanut butter), or other materials in them.

Do NOT include:

- Styrofoam
- Plastic bags or film
- Plastic rings for beer or beverages
- Plastic buckets, trash cans, or Rubbermaid totes
- Garden hoses
- Mixed material products like drink boxes, animal food bags, lined juice cartons

Items that CANNOT be included in these containers or recycled at this location:

- Tires, batteries, televisions, furniture, mattresses, any wood products, fiberglass materials like furnace filters or golf clubs, sports equipment, clothes or cloth materials, leather products, suitcases, blinds, carpet, Christmas decorations or trees, etc. If in good shape, try donating them to thrift shops or consult www.RecycleSpot.org for facilities in the greater Kansas City area.
- E-waste / Electronics (computers, laptops, tablets, fax or printer machines) may be accepted at Lakemary Business Solutions, 501 E Peoria, Paola KS 66071. No televisions. Contact them to verify their current acceptance policy at (913) 557-4000.

Hazardous Materials such as Oil, Paint, Pesticides, Poisons, etc. are NOT accepted. They need to go to the **Household Hazardous Waste Facility** (located in Road and Bridge Building to the West).
